4. Whether AQAR was placed before statutory body ?	Yes
Name of Statutory Body	Meeting Date
College Development Committee	26-Feb-2021
5. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning ?	Yes
Date of Visit	28-Apr-2017
6. Whether institutional data submitted to AISHE:	Yes
ear of Submission	2020
Date of Submission	23-Jan-2020
7. Does the Institution have Management nformation System ?	Yes
f yes, give a brief descripiton and a list of modules currently operational (maximum 500 words)	The institution has organizational set up for wellplanned curriculum delivery and documentation. The IQAC designed Academic Calendar at the begging of the year. This Monthly Academic Calendar is published in the College's Prospectus. The HODs of all departments are responsible for assessing the Teaching Plan, Weekly Synopsis and use of

·	various teaching methods for effective curriculum delivery. The IQAC take the
	feedback of students about
	teachinglearning process and timely
	syllabus completion. The HODs are given
	the authority to organize for extra
	lectures and remedial coaching for the
	academically poor students. At the end
	of academic year i.e. in the month of
	April each year, all teachers and HODs
	are requested to submit the copies of
	Teaching Plan, Original Weekly Synopsis
	and Principal Certificates to IQAC in
	both the form i.e. hard copy and soft
	copy in PDF from.

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The institution has organizational set up for well-planned curriculum delivery and documentation. The IQAC designed Academic Calendar at the begging of the year. This Monthly Academic Calendar is published in the College's Prospectus. The HODs of all departments are responsible for assessing the Teaching Plan, Weekly Synopsis and use of various teaching methods for effective curriculum delivery. The IQAC take the feedback of students about teaching-learning process and timely syllabus completion. The HODs are given the authority to organize for extra lectures and remedial coaching for the academically poor students. At the end of academic year i.e. in the month of April each year, all teachers and HODs are requested to submit the copies of Teaching Plan, Original Weekly Synopsis and Principal Certificates to IQAC in form of hard copy and soft copy.

2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

For the continuous internal evaluation, we follow the guidelines of University of Mumbai. The college has no authority to prepare and initiate its own reforms in the evaluation process. This is because our college has all aided academic programmes. However, we take presentation from students on current issues. We also organised department-wise students' workshops and other co-curricular activities which helps the students to grow and develop their knowledge and skills continuously.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

Academic calendar was prepared before begging of academic year and it is published in the college's prospectus. All the authorities and committees used to prepare their schedule for conduct of their activities on the basis of academic calendar published. Examination is one of the core and sensitive section of the college. University of Mumbai is conducting semester V and VI exams at graduation level and all examination of post graduate degrees. The college's examination committee is responsible for conduct of semester I, II, III and IV examinations every year. The committee strictly followed the Annual Academic Calendar while preparing examination schedule. The Examination Committee is altering the schedule only in case of natural calamities, political disturbances or in case of University announcements. The college has declared result of students of First and Second year of Bachelor Degree Programme within the time frame as per Maharashtra University Act, 2016 and as per the guidelines issued by University of Mumbai. Also, the revaluation and exam related grievances of students are solved as early as possible as per the Process specified in the guidelines of University.

2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

4.4 – Maintenance of Campus Infrastructure

4.4.1 - Expenditure incurred on maintenance of physical facilities and academic support facilities, excluding salary component, during the year

Assigned Budget on academic facilities	Expenditure incurred on maintenance of academic facilities	Assigned budget on physical facilities	Expenditure incurredon maintenance of physical facilites
Nill	Nill	4.98	Nill

4.4.2 - Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

The college has Annual Maintenance Contract (AMC) for maintaining the physical, academic and support facility. The utilisation of facilities such as laboratory, library, sport complex, computers, classrooms, gymnasium, etc. is governed and controlled by various committees and cells. We have Academic Departments, Gymkhana Committee, Library Committee, Planning Forum, etc. to check the utilisation of all available physical, academic and support facility. We nominated students on some of these committees to encourage students' participation, as it is one of the policies of the college.

No file uploaded. 5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words) As we are always encouraging the participative management, the Student Council in our college has worked as the organising committee in all activities conducted in annual cultural gathering and annual sport event. We have students' representation on committees such as NSS Cell, WDC Cell, College Development Committee, etc. The students' role is considerable in all kind of activities. They provided publicity to all activities and encourage other students' contribution in form of participation in all activities. It helps us a lot in smooth functioning of academic and administrative work of the college. 5.4 – Alumni Engagement 5.4.1 – Whether the institution has registered Alumni Association? No 5.4.2 - No. of enrolled Alumni: No Data Entered/Not Applicable !!! 5.4.3 – Alumni contribution during the year (in Rupees) : 0 5.4.4 – Meetings/activities organized by Alumni Association : • Training to regular students on cultural and folk dance • Supporting activities during NSS residential camp • Meeting with teaching staff • Meeting with current students for sharing ideas about employment opportunities and work culture. **CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT** 6.1 – Institutional Vision and Leadership 6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words) Practice No. 1: - The final decision making authority for the college's growth and development is College Development Committee. This committee is set up as per the guidelines mentioned in Maharashtra University Act, 2016. The composition of the committee is as under. Chairperson : President of the Konkan Education Society, Alibag Secretary This committee is represented by Management Representatives, Teachers Representative, Nominated Senior Teacher, Students' Representatives and Representatives of Alumni. The composition and representation of this committee shows the participative nature of management. Practice No. 2: - The overall management is decentralised by forming various other committees. These committees such as IQAC, NSS Unit, DLLE Unit, WDC, Attendance Committee, Examination Committee, Cleanliness Committee, Planning Forum, Cultural Committee, Sport Committee, etc. If any suggestion, it flows from bottom to Top and guidelines flows from top to bottom.

6.1.2 - Does the institution have a Management Information System (MIS)?

Partial

6.2 – Strategy Development and Deployment

6.2.1 - Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Admission of Students	We are strictly following the guidelines of Government of Maharashtra in case of admission of students in all years of Graduation and Post- Graduation. The admission of students is on the basis of merits. We follow reservation policy of the Government of Maharashtra. We have provided free computerised registration facility for all the students those want to take admission for B.A., M.A., B.Com. and M.Com. programmes.
Human Resource Management	Our Konkan Education Society is conducted Get Together of all teaching and non-teaching staff once in two years. We also have KES's Sevak Patpedhi which helps our teachers in form of Loans with lower interest and other financial incentives. Our society and college have conducted workshops for training to the Administrative staff. We have jointly organised workshop with our sister concern for academic excellence through maximum use of technology. Wherever required, we have decentralised the management and administration process in our college.
Industry Interaction / Collaboration	We have organised and conducted various activities in collaboration and involvement of Industries. We have collaboration with Excel Industry for NSS activities. We have also invited industrial personnel from Maharashtra Industrial Development Corporation, Dhatav, Dist. Raigad for sharing employment opportunities.
Library, ICT and Physical Infrastructure / Instrumentation	We have enriched our college's library with new text books for students, reference books for all from well- known publications. We are providing free internet facility to students as well as teachers.
Research and Development	? Research and Development We motivate our teachers to participate in conferences, seminars, etc. for research paper presentation. Our teachers also take the research projects from university of Mumbai. Our

	<pre>faculty members are also publishing their research work. Our faculty member Dr. Samrat A. Jadhav was invited as resource person and Judge for AVISHKAR Research Convention. This convention is initiated by Office of Governor of Maharashtra. We motivate our students to participate in such type of research competition. One of our students, Miss. Anjali Anil Modi has won First Prize at District Level in this competition.</pre>
Examination and Evaluation	The exam system in our college is entirely computerized. College conducts the exams of first and second years of B.A. and B.com. as per the Academic Calendar published in the College's Prospectus. The result of students of first and second B.A. and B.Com. is always declared within timeframe. The evaluation of third year of B.A. and B.com. is done on computers which is On Screen Assessment conducted by University of Mumbai.
Teaching and Learning	Our faculty members are using ICT Techniques in the Teaching-Learning Process to make it effective and productive. They have used Audio, Video and even live demos on internet for teaching and learning. Our academic departments used to organise for Industrial Visits, Educational Tours, etc. They are giving practical experiences of their subject contents through educational visits to industrial places such as Dhatav. This place is near our college campus.
Curriculum Development	Since, the work of curriculum development is in the hands of University, we as a college asked our faculties to involve in syllabus committee of the University and also to participate in the workshops on syllabus formation and implementation. Our faculty members are working as Course Writer for the University of Mumbai for distance learning courses. We have also asked our teachers to designed curriculum for the short term certificate courses.

E-governace area	Details
Student Admission and Support	The process of admission and issue of documents is e-governed. First, students have to apply online for the admission into first year of Bachelor

ļ

	degree programme and first year of Master degree programme. College is also providing documentary support in form of Transfer Certificate, Bonafied Certificate, etc.
Examination	The exams of third year of B.A and B.com. are conducted through online delivery of question papers. Even the answer books are assessed on screen. In case of result, the students first see their result online and then offline result sheets used to come to college.

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

1. Tree Plantation 2. No Vehicle Day 3. No use of plastics in college campus 4. De-composting

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Best Practice No.1 Title of the Practices: Spreading Awareness aboutHIV Haemoglobin Deficiency Goals: To prepare students to face life's challenges by providing them with inputs to discharge their duties towards their family and society. To equip students to take precautions in the future so that its ill effects are not passed on to the future generations. To make students aware of Haemoglobin and its consequences. To organize blood checking camps, HIV and Haemoglobin checking camps. To organize street Play and Rally for awareness about HIV To organize Poster competition about HIV. The Context: In our college, we have more number of female students as compare to male students. During the blood donation camp, we come to know that most of the girls were in deficiency of haemoglobin even among our female teaching staff. Deficiency of haemoglobin is resulting in physical weakness, physical tiredness and mental fatigue. So, we decided to spread awareness about the normal level of Haemoglobin in the blood especially among the female students. Also, we took initiatives for the HIV test for the students to make them aware about its importance for the healthy future. Practice : N.S.S. and DLLE volunteers make Posters every year in order to spread the awareness about HIV and organize Rally in neighbouring areas. Having being made aware the students can in turn pass on the information, as society in general is unaware of the hazards of HIV. Evidence of success: Table showing the details of Blood Test conducted during blood donation and residential camp organized by the college : Years Number of students screened 2016-17 89 2017-18 75 2018-19 120 2019-20 138 HIV Petition Detection is very expensive. It is difficult to get sponsors to undertake the test we have to restrict the test to a limited number of students. As an institution, we provide the detection facility to our students at a free of cost. However, it cannot be extended further to the family of the detected students. Problems Encountered: Parents do not encourage their wards to undergo the test of blood and HIV due to their ignorance about the importance of the test. Students are afraid about medical test. Best Practice No. 2 Title of the Practices: ICT based Teaching Learning Goal: To generate interest among students about learning and make the teaching attractive. To enhance the understanding of students. To aware them about new concepts and ideas. To inculcate the skill of presentation by using PPTs among students. The Context: This has been accepted by the educational psychologist that ICT based teaching and learning is better than chalk and talk teaching and learning. Due to audio and video effects, it helps in improving the understandings and memory of the students. The Practice: There is no doubt that an audio-visual teaching aids is attractive means of delivering lecture and also generate interest among the students to learn and to go for further references. Our college made available computer and internet facility for faculties and also for students. The teachers are preparing PPTs by considering the curriculum of the course of important topics and sections. Also, the video lectures on important chapters on internet are made available to the students by our teachers. Since our college is situated at rural areas, this practice in the classroom is helpful to them for better understanding and securing good grades in examinations. Evidence of Success: • Goods result of college as compare to University Result and result of other college in the District. • Good feedback of students about teaching of the faculty. • Post Graduate students' presentation during the Students' Seminars in the college. Problems Encountered: • Availability of Electricity in rural areas. • Availability of presentations and videos in other than English language.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

https://www.cddcroha.edu.in/cdccroha2020/Best%20Practices.pdf

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust Empowering poor through education is our vision. Our college has developed its own image as college for poor and downtrodden. Our all kind of work reflects our vision. We walk on the path of vision by strict implementation of following provisions. • The college provides scholarships and freeships from the government to socially and economically poor students. • The college provides instalment facility in the payment of college fee at the time of admission to poor students irrespective his/her caste, creed, religion and region. The college library has book bank facility for socially and economically poor students. • The college also recommend the economically poor but academically bright students for the direct placement in nearby industrial area (MIDC Dhatav)

8. Future Plans of Actions for Next Academic Year

The planned activities to be conducted for the academic year 2020-21 are as follows. ? To create Google Groups and YouTube Channels of students for academic learning. ? To organize of Seminars, Conferences for providing opportunity of Research. ? To improve infrastructure facilities. ? To enrich Academic Departments in terms of availability of number of books and other facilities. ? To explore students' ability through cultural events and programmes. ? To conduct Certificate Academic and skill oriented Programmes. ? To organize Coaching for Competitive Examinations. ? To provide Training to students on Interview Techniques and Communication Skills. ? To organize Placement for Third Year students. ? To develop Gender Sensitization through WDC, NSS and DLLE activities ? To aware and educate students on Environmental Issues. ? To facilitate Sports Supportive Environment. ? To ensure multi-faceted development of students' personality through various programmes and activities by different committees and Cells. ? To organize training workshops for non-teaching and administrative staffs. ? To speed up an engagements towards digitalization of college. ? To increase interactions and collaboration with Industries. ? To promote the Institute as Centre of Multi-Skilled and Multi-Dimensional activities for students' development.
