Initiatives for Inclusive Environment

The institution has great diversity of students as well as staff members as far as caste, gender, religion, etc. is concerned. Therefore, it is obvious for the institute to reflect the diversity in variety of programmes organized by academic as well as extra and co-curricular departments. These programmes are a tool to imbibe and inculcate the values like tolerance, harmony, care for environment, etc.

Following initiatives have been taken for inclusive environment in the college

1. During admission no differentiation is considered on the basis of social, economic or religious status.
2. Government policy of reservation in admission and appointment of socially depressed and backward is followed and implemented with due care.
3. National and International days are celebrated
4. Constitution Day is celebrated by organizing a lecture on constitutional provisions
5. Birth Anniversaries of Social Reformers and freedom fighters are celebrated
6. All required and possible facilities are provided to specially abled students
7. Various other programs are organized on tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities.
