**Students' representation and Engagement in
Administration, Co-curricular and Extra-curricular Activities**

The college always facilitates students' representation on various committees and they engage themselves in and contribute to the planning and successful execution of various activities.

This year too, the Students' Council was formed through a formal and transparent well-established procedure. Apart from the class representatives, there were department representatives who acted as a bridge between their peers and their teachers on the digital platforms. The representatives of NSS, Sport department and Cultural department played vital role in the organization and management of various events.
