Organ Donation Awareness Programme & Drive Report.

On 24 August 2017, a program based on organ donation awareness was organized for selected students of the college on behalf of the National Service Scheme Department of the college.

30 selected students of the college participated in the Organ Donation Programme.

The main objective of this organ donation awareness program is to students. The aim was to understand the concept of organ donation and to impart knowledge about organ donation to the students.

Principal of the college Dr. Atul Salunke was present as the chief guest in the program and Dr. Shrinivas Vedak were present.

The guide firstly told the present students to understand the concept of organ donation. Then he explained the information about how many types of organs can be donated to the needy. It also gave detailed information about which organs we can donate during our lifetime or how the relatives of the person can donate the organs of the dead person after his death.

He also guided the present students on what kind of decision can be taken by his relatives in case of brain failure of a victim.

And humbly challenged as many students as possible to work for this initiative at individual and team level.

AIDS Awareness Programme Report.

On the behalf of College National Service Scheme Department Organised HIV AIDS awareness program on 1st December 2017 for students.

153 students of the college were participated in the this program.

The program was organized with the collaboration of District Sub-Hospital Roha and College National Service Scheme.

The main objective of the HIV-AIDS awareness program was to make students aware of the subject of HIV-AIDS and to motivate these students for social awareness work.

Principal of the college Dr. Atul Salunke was present as the chief guest of the program. Dr. Gosavi, Counsellor of AIDS Control District Sub- Hospital Roha, was present as a guide.

In the said program, Dr. Gosavi gave the important information on HIV-AIDS. Also, important comments were made on the information about what precautions should be taken to avoid this disease.

Participating students gained important knowledge about HIV-AIDS from the said program.

Students present in this programme did an HIV test.

College National Service Scheme and District-Sub Hospital Roha provided significant help to make this initiative a success.

"Mahiti Doot Training programme Report".

Mumbai University National Service Scheme and college

National Service Scheme jointly organised Mahiti Doot

Training programme on August 18, 2018 from 09.00 am to 11.00 am.

The main purpose of the said training programme was to inform the college students about different government schemes, give training on how these schemes are implemented and help to reach these schemes to the society. 106 students of the college participated in this information ambassador training camp.

As a guidance in this training camp Mr. Makrand Patil gave information about various government schemes to the present students and gave an insightful discussion on how these schemes were implemented.

In this training camp, the doubts asked by the students were cleared.

To convey information about these schemes with the help of Roha Tehsil

Worked directly for implementation of plans.

The participating students benefited from this training.

"Fit India Run For Good Health Programme Report."

On behalf of the National Service Scheme Department of the College, on 29th August 2018, a program was organized for the selected students of the college called 'Sinnabha Bharat Arogyaman Bharat'. 65 students of the college participated in the programme.

The main objective of this program is for physical and mental fitness among college students

Imparting necessary knowledge to the students through hands-on experience

To make physically strong.

The students who participated in the Safar activity were informed that the central government started this activity, what was the purpose of this activity and how we can be physically and mentally perfect through this activity.

In fact, the participating student ran a distance of seven kilometers from Roha to Pingalsai.

Teachers and non-teaching staff participated in this activity.

Through this activity, students developed the skills required for police recruitment.

"Yoga for Stress Management Programme Report."

A program based on the concept of Online Yoga for Stress Management was organized on June 21, 2019 in association with College National Service Scheme and Art of Living Branch Roha to overcome the disaster of Covid-19 and to increase the physical and mental morale of college students. A total of 92 students of the college participated in this online program at 8.00 am to 10 .00 a.m. The main purpose of the said program is to teach the students of the college about yoga subject, types of yoga, importance of yoga &

What is the usefulness of yoga in human life

The principal of the college, Dr. Atul Salunke, was present as the chief guest in the program & Mr. Anant Thorat was present as a yoga guide. In this activity Mr. Anant Thorat at the same time, he gave information to the present students about how yoga improves the physical and mental health of human beings in the Covid 19 Period.

He informed the students about the types of yoga such as Raja Yoga, Hatha Yoga, Lay Yoga, dyan Yoga, Karma Yoga and Bhakti Yoga. This type of yoga was done through online present students.

He also urged the audience to use the acquired knowledge for the benefit of society.

Organ Donation Awareness Programme Report.

On 20 February 2019, a program based on Organ Donation Awareness was Organized for selected students of the college on behalf of the National Service Scheme of the college. 130 selected students of the college participated in the said program.

The main objective of this organ donation awareness program is to students.

The aim was to understand the concept of organ donation and to impart knowledge about organ donation to the students.

Principal of the college Dr. Atul Salunke was present as the chief guest in the program. So as a guide Mr. Nilkanth Patil were present.

The guide firstly told the present students to understand the concept of organ donation. Then he explained the information about how many types of organs can be donated to the needy. It also gave detailed information about which organs we can donate during our lifetime or how the relatives of the person can donate the organs of the dead person after his death.

He also guided the present students on what kind of decision can be taken by his relatives in case of brain failure of a victim.

And humbly challenged as many students as possible to work for this initiative at individual and team level.

"Cleanliness and Hygienic programme Report."

On behalf of the College National Service Scheme organised Cleanliness and Hygiene Programme on 2 October, 2019 for the selected students of the college for 78 selected students of the college participated in the said program.

The main objective of the said Cleanliness and Hygiene Programme was to convince the students about the importance of personal and public cleanliness.

Principal of the college Dr. Atul Salunke was present as the chief guest in the program. Prof. Tulsidas Mokal was present as a guide.

Prof. Tulsidas Mokal first told the present students that personal and public cleanliness is important in human life and told the audience that just as we give importance to personal cleanliness, we all should also give importance to public cleanliness.

College Principal Dr. Atul Salunke humbly challenged that maximum number of college students participate in public cleanliness campaign program and make this campaign successful by participating maximum number of students in schools, colleges, villages, cities, forts and forts.

Later, the participating students cleaned the college and college premises.

"Covid Vaccination Drive Report."

As a preventive against Covid 19, Covid Vaccination Drive was organized in the college on 25th January 2021 from 9.00 am to 3.00 pm in strict compliance with the Covid security rules.

The said program was organized in association with District Sub Hospital Roha & College National Service Scheme.

Important issues like safe distance, use of mask and use of sanitizer were discussed in this pledge program.
